what caught  
my attention,  
the boldness  
of this display  
is beautiful.  
everything  
is clustered  
together but i  
think it adds to  
the craziness of  
the display  
a very positive  
and visually  
appealing way

"Cloud would like to take clothes to capacity", "Red  
Pommes" is the most "stunning". Pretty elegant  
inspiration comes in. In fact, as clothes are, the essence of  
the United States can not be separated from the background  
environment. With her
